Dear Friends,

May was indeed busy for us, so June's newsletter is a bit more than a week delayed. It's probably just as well, because you might have been too busy to read it before now anyway. But now that school is out, it is time to begin our teacher training programs. Some of them start next week!

See our website for UPCOMING Events.

Montessori certification programs are known for the many books that students are directed to read, digest, reflect on, and apply. While you may be an experienced Montessori guide, a newly certified one, instructional staff, or a school director, summer is still a time for reading.

Why not carry a Montessori book with you this year when you go to the beach or lake? Good books are often even better the second or third time around.

Don't let those students and interns have all the fun this summer.

NEW PATHS

We have a new way for IGS students to team up with a college or university to earn a master's degree!

The Institute for Guided Studies' students are invited to obtain graduate credit for their Montessori training through The Institute for Educational Studies (TIES) at Endicott College, an internationally recognized Montessori graduate program.

Endicott College is located in Beverly, Massachusetts, just north of Boston. This program continues to be a forerunner in online education.

ON THE PATH NOW!

Full Certification Programs of Study for Montessori Guides and Paraprofessionals begin this month. Are you enrolled?

We have programs beginning in Camden, SC at the Infant Toddler Level, and in Gray Court, SC at the Early Childhood Level. We have two new locations in the works, one of them in New Jersey at the EC level, and the other in Charleston at the IT level.

Elementary is an ongoing tutored class, and the Adolescent course in Athens, GA begins its second summer session soon.

MEPI will have a Summer Seminar at Maria Montessori Academy in North Ogden, UT July 18. Presenters will include IGS staff members. Registration is open now! See the brochure [here](#) for more information.

JUNE 15th is the LAST DAY to REGISTER!

ONGOING PROGRAMS

Are You a IGS Graduate wanting to add a Master's degree?

IGS and Sarasota University have an articulation agreement for IGS graduates to receive up to eighteen credits towards a Masters of Arts Degree in Montessori Education or Montessori Leadership.

More information about enrolling in the program can be found at www.sarasotauniversity.org or at info@sarasotauniversity.org.

BACKWARDS GLANCES

Like I mentioned in the opening, the last few weeks have been busy around here and I couldn't resist this photo. Wouldn't it be wonderful if we could all just crawl into bed when we were tired, and get up after a nice nap?

Remember to take time to rest this summer. We have to take care of ourselves first so we can then do our work and help others.
